

ABOVE ★ BEYOND

Charlotte-Mecklenburg Schools has more than 17,000 hard-working and dedicated employees. Above & Beyond is committed to seeking out and recognizing the excellence that goes on in CMS every day. On each episode of Above & Beyond, we feature several CMS employees in our Get To Know and Spot Light features. And we recognize other outstanding CMS employees with the CMS Big Apple Award Winners, and Employee Excellence Awards. Above and Beyond airs Friday, Saturday, and Sunday at 7:30 and 10:30pm on CMS Television.

On this episode, we'll introduce you to a math teacher who is a national award finalist. We'll get to know the people in CMS that keep the classrooms warm all winter long. We'll also meet a biology teacher who has won one of the most prestigious awards in the country, plus our employee excellence and big apple award winners.
